STATUS INQUIRY

The above-referenced application had been incorrectly indicated abandoned on 05-03-2002, and the file was marked lost on 01-03-2005 and on 05-25-2007. After communicating with the Office, the previously filed petition to revive the application was finally granted on November 2, 2007. Since then, no further communication has been received from the Office, and the file's status continues to indicate "Withdrawn Abandonment, awaiting examiner action." Applicant is still waiting for a new communication from the Office responding to Applicant's previously filed Amendment of 12-27-2001, which responded to the first Office Action mailed 10-22-2001.

It is believed no fee is due. If fees are required, however, the Commissioner is authorized to deduct the necessary charges from Deposit Account 501922/149-0031US.

Sincerely,

/Sean McDermott/
